ADDENDUM # 1

The Department is adjusting the date for publishing responses to vendor questions from **Thursday, July 9, 2026** to **Wednesday, July 15, 2026**, due to operational needs arising from the volume of vendor questions received. Accordingly, the deadline for receipt of proposals is being updated from **Thursday, July 16, 2026** to **Wednesday, July 22, 2026, at 4:00 PM (Local Time)**. The Department has determined that the revised timeline provides a reasonable opportunity for vendors to finalize their proposals.

All other terms and conditions remain the same.
