

Notification of Request for Proposals Virtual Pre-Proposal Meeting Design-Build Contract RR-23-4920R

April 2, 2026

To Whom It May Concern:

The Illinois Tollway published a Request for Proposals (RFP) for Design-Build Contract RR-23-4920R: Illinois Route 390 Tollway between M.P. 6.0 (US 20/Lake Street) and M.P. 13.0 (I-290/Eisenhower Expressway) on March 27, 2026, and will host a **virtual** pre-proposal meeting on **Tuesday, April 7, 2026, from 2:00 p.m. to 4:00 p.m.** The posted RFP can be found on BidBuy with the solicitation number: 26-557THA-ENGCO-B-51420.

At the virtual pre-proposal meeting, information about the project will be presented, including the project scope, schedule and other technical details. An overview of the RFP will also be provided, including discussion regarding the Instructions to Proposers (ITP) and RFP, evaluation and procurement processes and other technical information included in the RFP.

Discussion will also include diversity objectives and opportunities, with a focus on the services available through the Illinois Tollway's Technical Assistance Program. Specifics regarding diverse and veteran-owned business participation requirements will also be discussed.

The virtual pre-proposal meeting will conclude with discussion on available resources, networking best practices and a preview of future workshops and continued opportunities to get involved. Future workshops for this project may include, but are not limited to, a teaming workshop for shortlisted teams and diverse and veteran-owned businesses.

Shortlisted teams are advised that the ITP requires either their virtual attendance at the April 7 pre-proposal meeting or viewing of the meeting recording when subsequently issued via Addendum by the Illinois Tollway. Teaming opportunities at this point in the procurement may be available for contractors, non-shortlisted firms and designers, and those wanting to learn more about the project are encouraged to attend. Only shortlisted teams are eligible to respond to the RFP.

A calendar invite with the virtual call-in information will be provided to all those who register for the meeting.
