

**ADDENDUM NO. 5
TO
REQUEST FOR PROPOSALS
FOR CONTRACT RR-23-4920R
ILLINOIS STATE TOLL HIGHWAY AUTHORITY**

Date: 7/6/2026

Revisions to the above-referenced RFP have been made. Modified sections are shown in redlined format.

CONTENTS OF ADDENDUM

(I) Price Proposal Form – Page 2

NOTICE OF REVISION TO RFP

NOTES:

1. In the following Revisions to the Request for Proposals table, items that are checked as replacing existing documents are generally provided with this addendum as redlined versions showing the modifications. Items checked as New Documents have not been previously issued. In some instances, documents with voluminous modifications may be replaced without redlined versions in its entirety. These items will still be checked Replace Existing Document.
2. This Addendum shows changes in the Revisions to the Request for Proposals table below and/or within the documents. If a change has occurred that is not reflected as part of this Addendum or a document is not included in this Addendum, the most recently issued version (either through a previous Addendum or original issue) shall be the most current version.

REVISIONS TO THE REQUEST FOR PROPOSALS

PROPOSAL PRICE BREAKDOWN ITEM DESCRIPTIONS

The following is a high-level description of the items in the Proposal Price Breakdown and does not modify or otherwise impact the Design-Builder's responsibilities specified in the Contract Documents.

Item Title	Item Description
MANAGEMENT	
Project Management	Includes all Work included in Book 2 Section 1 – General and Book 2 Section 2 - Project Management and all other associated project management costs not covered elsewhere in the price proposal form.
Quality Management	Includes all Work included in Book 2 Section 5 - Quality Management.
Safety Management	Includes development, updates and implementation of the safety plan, safety manager and staff, and efforts to ensure safety of the Site.
Public Information Management	Includes public information services and staff.
Scope Validation	Includes all activities for Scope Validation included in Book 1.
Payment and Performance Bonds, and Insurance	Includes premiums for Payment and Performance Bonds, and Insurance.
ENGINEERING	
Design Services	Include: all Work required to complete the design, including design management, and engineering and design of temporary and permanent works through final design; Design Documents including Design Plans, Project Specifications, Working Plans, design reports, investigations and preliminary engineering, and all submittals and plans required by the Contract Documents, including Special Provisions; As-Built Plans; review of shop drawings and working drawings, continuous coordination with construction, and engineering support during construction; permitting (other than environmental permits); etc.
Environmental Compliance	Includes all Work associated with Book 2 Section 4 – Environmental Compliance.
CONSTRUCTION	
Mobilization	Includes all Work associated with Mobilization in accordance with Tollway Supplemental Specifications.
Utilities	Includes all Work associated with Book 2 Section 6 - Utilities.
Right of Way	Includes all Work associated with Book 2 Section 7 - Right of Way
Geotechnical	Includes all Work associated with Book 2 – Section 8 - Geotechnical.

Item Title	Item Description
Surveying	Includes all Work associated with Book 2 Section 9 – Land Surveying.
Pavements and Roadway Materials	Includes all Work associated with Book 2 Section 10 – Pavements and Roadway Materials.
Roadway and Grading	Includes all Work associated with Book 2 Section 11 – Roadway and Grading.
Drainage	Includes all Work associated with Book 2 Section 12 – Drainage.
Structures	Includes all Work associated with Book 2 Section 13 - Structures.
Landscape	Includes all Work associated with Book 2 Section 14 - Landscape.
Visual Quality Management	Includes all Work associated with Book 2 Section 15 – Visual Quality Management.
Signing, Pavement Markings, Traffic Control Signals, and Lighting	Includes all Work associated with Book 2 Section 16 - Signing, Pavement Markings, Traffic Control Signals, and Lighting.
Maintenance of Traffic	Includes all Work associated with Book 2 Section 18 - MOT
Signing, Pavement Marking, Lighting and ITS	Includes: installation of sign structures and signs, pavement markings, lighting and ITS devices.
Maintenance During Construction	Includes: maintenance of existing roadways.
Maintenance During Construction	Includes all Work associated with Book 2 Section 19 – Maintenance During Construction.
Bicycle and Pedestrian Facilities	Includes all Work associated with Book 2 Section 20 – Bicycle and Pedestrian Facilities.
Railroad	Includes all Work associated with Book 2 Section 21 – Railroads.
Tolling	Includes all Work associated with Book 2 Section 22 – Tolling.
ALLOWANCES	
DISPOSAL OF UNKNOWN PRE-EXISTING HAZARDOUS MATERIAL	Includes all Work associated with this Allowance from Book 3. Design-Builder shall not revise the pre-determined price for this line item.
UNFORESEEN DRAINAGE WORK	Includes all Work associated with this Allowance from Book 3. Design-Builder shall not revise the pre-determined price for this line item.
EMERGENCY PAVEMENT AND SHOULDER REPAIR	Includes all Work associated with this Allowance from Book 3. Design-Builder shall not revise the pre-determined price for this line item.
RAILROAD FLAGGING	Includes all Work associated with this Allowance from Book 3. Design-Builder shall not revise the pre-determined price for this line item.

Item Title	Item Description
ConstructionWorks Apprentices	Includes all Work associated with this Allowance from Book 3. Design-Builder shall not revise the pre-determined price for this line item.
MAINTENANCE REPAIRS	This is a line item for potential Tollway directed Extra Work in accordance with Book 1 Section 16.2.7 Allowance for Maintenance Repairs. Design-Builder shall not revise the pre-determined price for this line item.
